

UPCT-Cartagena four ONLINE Open Day sessions (28th- 31st, 17:00 CET)

During the next week we have at **UPCT-Cartagena** four **ONLINE Open Day sessions (28th- 31st, 17:00 CET)** that will be conducted in SPANISH and available in *our YouTube channel*.

Providing information to prospective students and their families is the main objective. General aspects of the University (28th) and details of each Degree offered at UPCT (29th-31st) will be discussed. It could be of interest to **EUT students** (learning Spanish) who are considering visiting UPCT, and open to everyone wanting to find out more about us. At the end of each journey, an open Q&A Teams session will take place with Degree coordinators and the Director of each Centre.

Complete information about Open Day at UPCT can be found in the web page **puertasabiertas.upct.es**
